

## **A Visit to the Hospital..... Grades K - 3**

### **Suggested Classroom Activities**

- **Your group will visit the EMERGENCY ROOM, MAMA (the helicopter ambulance), RADIOLOGY (x-rays), and the “Mother-Baby” unit.**
- **Ask your students to describe (or draw) what they think each area might look like.**
- **What do they think goes on there?**
- **Have your students list reasons why someone might need to go to the hospital.**
- **Let them tell stories about their own hospital visits.**
- **Can your students think of all the different jobs people might do in the hospital? Try to go well beyond “doctor” and “nurse.”**
- **Have your students make a list called “Things I Can Do To Stay Healthy.”**
- **Why should people wash their hands before and after visiting a hospital?**
