

Try-It Thursdays

Cost is \$4/Brownie (Adult volunteers are free).

Try-It Thursdays are held from 3:30pm to 4:45pm. Participants may explore the museum before 3:30pm. At each Try-It Thursday, girls will complete all requirements for the Try-It listed. Try-Its from other councils are treated the same as National Try-Its (they may be placed on vests/sashes). Please note that the price does not include the cost of the Try-It. If needed, we can order Try-Its for you or your troop to pick up at The Health Adventure.

October 22nd: Marine Animals

(Girl Scouts of Eastern Pennsylvania Council Try-It)

Calling all future marine biologists! Come learn about the amazing animals of the sea. Learn about different marine animals and their habitats and habits. Discover your favorite marine animal and then sculpt it out of clay!

December 3rd: Chemistry

(Girl Scouts of Wisconsin-Badgerland Council Try-It)

Come play in our slime lab! Use carbon dioxide to launch rockets and make raisins dance. Discover just how colorful white light really is.

January 14th: Healthy Habits

What better place to learn about healthy habits than The Health Adventure! Meet Mr. Gross Mouth. Use our special glow lotion to illuminate the secret hiding places of germs, and take a closer look at plaque with our video microscope.

February 18th: Science Wonders

Come be a mad scientist with us! Use ordinary milk to make extraordinary colors. Play with dry ice bubbles! Make a take-home craft that's truly magnetic!

Registration

Pre-registration is required for all programs including Grossology. You must be registered at least 5 days prior to the program date (the closing date). If you cancel or change your reservation less than 4 days prior to program date, payment will not be refunded.

If a program's minimum number (15 Scouts) is not met by the closing date, the program will be cancelled and your payment refunded. Please note there is no minimum number required to schedule the Grossology program.

"Tag-Alongs," any children attending the program or exploring the museum, will be charged the program fee.

Call Jen Stump at (828) 254-6373 x327 for more information or visit our website at www.thehealthadventure.org.

Please mail registration form and proper payment by check to:

Saturday Try-It Days

Cost is \$10/Brownie (Adult volunteers are free).

Saturday Try-It Days are held from 10am to 2pm. At each Try-It Day, girls will be able to complete all requirements for the Try-Its listed. Try-Its from other councils are treated the same as National Try-Its (they may be placed on vests/sashes). Please note that price does not include the cost of the Try-Its or lunch. If needed, we can order the Try-Its for you or your troop to pick up at The Health Adventure.

October 3rd: Sounds of Music, Senses, and My Body

Explore sound and music with a fun take-home craft that really sounds like a chicken. Play in the world famous Grossology exhibit to learn about all about your five senses. Play a game of body volleyball and learn some fun new facts about your body.

April 17th: Me and My Shadow, Science Wizardry and Caring & Sharing

(Girl Scouts of the Virginia Skyline Council Try-It)

"Catch" your friends' shadows! Combine simple household products and marvel at all the different colors you can make! Learn how to be a great friend with a little help from Clifford the Big Red Dog.

Grossology Program

Cost is \$5/Brownie (Adult volunteers are free).

This guided program can be scheduled anytime during museum hours between September 25th, 2009 and January 2nd, 2010. Through completion of the Grossology program, girls will complete all require-

ments for the Senses Try-It. Please note that price does not include the cost of the Try-It.

Come have a blast exploring the world famous Grossology exhibit, which is based on the best-selling book Grossology by Sylvia Branzei! Learn all about your nose with a little help from Nigel-Nose-It-All. Try your hand at a virtual reality game. Climb, slide, and belch your way through the entire human body in this exciting exhibit!
