

## Thursday Badge Bashes

Cost is \$6/Junior (Adult volunteers are free).

Badge Bashes are held from 3:15 to 5:15pm. Participants may explore the museum before 3:15pm. At each Badge Bash, girls will complete all requirements for the Badge listed. Badges from other councils are treated the same as National Badges (they may be placed on vests/sashes). Please note that price does not include the cost of the Badge. If needed, we can order Badges for you or your troop to pick up at The Health Adventure.

## October 1st: Marine Animals (Girl Scouts of Eastern Pennsylvania Council Badge)

Calling all future marine biologists! Come learn about the amazing animals of the sea. Learn about different marine animals and their habitats and habits. Sculpt your favorite marine animal out of clay and make a handy "foldable" record of your discoveries.

## November 5th: I'm Electric! (Girl Scouts of the Minnesota and Wisconsin River Valleys Council Badge)

Come to this Badge Bash for a hair rising experience! You will learn all about electricity in the human body through fun hands-on activities. Watch as your hair stands on end with the help of a Van der Graff Generator, and discover how your heart beats by making an electric light-up heart.

## March 4th: Making it Matter

Come be a scientist of every kind at this workshop! Experiment with chemistry in our slime lab. Be an electrical engineer by rigging up a real circuit! Experience the science of architecture by building structures in our design challenge lab!

## February 6th: Saturday Badge Workshop

Cost is \$10/Junior (Adult volunteers are free).

This event will be held from 10am to 3pm. Girls will complete all Badge requirements for two Badges, Night Creatures (NC Coastal Pines Council Badge) and Puzzlers. Badges from other councils are

# Registration

Pre-registration is required for all programs including Grossology. You must be registered at least 5 days prior to the program date (the closing date). If you cancel or change your reservation less than 4 days prior to program date, payment will not be refunded.

If a program's minimum number (15 Scouts) is not met by the closing date, the program will be cancelled and your payment refunded. Please note there is no minimum number required to schedule the Grossology program.

"Tag-Alongs," any children attending the program or exploring the museum, will be charged the program fee.

Call Jen Stump at (828) 254-6373 x327 for more information or visit our website at [www.thehealthadventure.org](http://www.thehealthadventure.org).

**Please mail registration form and proper payment by check to:**

See who comes out when the sun goes down. Build your own owl box. Uncover a mouse skeleton by dissecting a real owl pellet.

Play an echolocation game to learn how some nocturnal animals "see" in the dark. Then, put on your thinking cap and enter the wonderfully puzzling world of Mindbender Mansion. A museum educator will guide you through this fun and quirky mystery mansion full of enough brain teasers and challenges to earn the Puzzlers Badge.

unlock the puzzle

## Mindbender Mansion

*Cost is \$5/Junior (Adult volunteers are free).*

This guided two-hour program can be scheduled anytime during museum hours between February 1st and May 5th, 2010. Through completion of the Mindbender Mansion program, girls will be able to complete all Badge requirements for the Puzzler Badge. Please note that price does not include the cost of the Badge.

Come have a blast exploring the Mindbender Mansion. Try to gain access to the Mindbender Society by gathering hidden clues, solving brain teasers, and conquering group challenges! Play a giant version of the classic steel ball labyrinth game. Race the clock in a "Hopscotch meets Scrabble" game. Solve a puzzle by rearranging life-sized furniture.
